What are the names of the individuals that will be involved with the project or activities that PFI will be funding, and what is the name of the person responsible for the administration of the funds?

Administrator: _____

Other Individuals: _____

Once approved by PFI, your organization may direct your donors to donate through our organization, while allocating the donation towards your organization or charitable project. PFI will see this allocation as a recommendation, while maintaining full control and final decision-making authority over the final allocation of this donation.

In the event that a donor allocates a donation to your organization and PFI decides not to donate the funds in line with the donor's recommendation, the donor has the ability to instruct PFI to return him or her the donated funds.

We accept that we may be asked to give a report of our activities to PFI upon request, and will voluntarily send to PFI updates as we publish or transmit them

We hereby ask to be listed as an organization recognized by PFI for the receipt of support.
